

Herman Wuebker and Elizabeth (Schloermann) Bruening Family (Left to Right: Elizabeth (Schloermann Bruening) Wuebker, Josephine (Wuebker) Schulte (not related to Mary Elizabeth Schulte), Herman Wuebker (child, adopted), Herman Wuebker (brother to Josephine), Wilhelmine Bernadine (Bruening) Schulte

The names are confusing unless the father and son have the same name. Then it appears the mom (Elizabeth) and Dad (Herman) are seated with all of their children. It would also appear that Elizabeth had Schloermann as her maiden name, Bruening as her first married name (since her daughter, Wilhelmine Bernadine Bruening was named Bruening when she married John Bernard Schulte) and that Wilhelmine is from her first marriage. Then it appears she remarried to the Wuebker family. The two women look the same as on the first photo which would be years later..

So the two women are Mom's great grandmother on the left and Grandmother on the right.
