

## Minster Historical Society plans school tour, meeting

Mark your calendar for March 17 and plan to attend the Minster Historical Society's special program entitled, "Take a Look at Minster's Past: The Hanover Street School."

Those in attendance may tour the school from 1 p.m. to 4 p.m.

Thousands of students have graced her hallowed halls and now is the time to visit and reminiscence.

In use for 77 years, this building has evolved with the community's needs. Kindergartens through senior classes have fond memories of days gone by.

Come join the fun and spread the word to classmates. Those in attendance may even see a retired teacher or two.

Hundreds of photos and the history of the building will be on display in-

cluding the newly-acquired Paul Maltinsky collection.

Memory boards for participants to add notes will be located throughout the building.

Other festivities include a free throw contest from 1:30 p.m. to 3 p.m. in the old gym with age categories: Junior 20-39, Seniors 40-59 and Super Seniors 60 and older.

A special treat will be available in the cafeteria. This is a free public program sponsored by the Minster Historical Society.

The Minster Historical Society will also conduct its annual spring meeting at the same location at 3 p.m. The main theme will be the importance of preservation and re-use of old buildings in our community.
