

Minster grad part of clinic

Doug Stricker, who graduated from Minster High School in May, 2000, is participating in the Fall 2004 semester University of Toledo Mechanical Industrial and Manufacturing Engineering Department Senior Design Clinic. Stricker is the son of Dave and Diane Stricker of Minster, and plans to receive his degree in Mechanical Engineering in Dec. 2004. He is currently involved in his design engineering project entitled Extension Push Handles for a Manual Wheelchair sponsored by The National Science Foundation.

The University of Toledo College of Engineering will showcase all senior design engineering projects at an exposition, Dec. 10 from noon to 2:30 p.m. at the College of Engineering Building, Nitschke Hall First Floor. Formal presentations will take place for the Mechanical, Industrial and Manufacturing Engineering Department from 3 to 7 p.m. at the same location. The Senior Design Exposition is free and open to the public.
