

October ceremony held Minster girl weds in San Diego

Katie Bernhold and Jaime Murphy, of San Diego CA., were married Oct. 2, 2004 at Mission Basilica San Diego de Alcala, in San Diego, CA.

The bride is the daughter of Jim and Cathy Bernhold of Minster and her husband is the son of Jim and Cynthia Murphy of Wheaton, IL.

The bride's grand uncle Rev. Earl Loeffler celebrated the nuptial mass with the assistance of Deacon Cliff Perryman and Deacon Bill Vasquez.

Music was provided for the ceremony by organist Howard McCollough and vocalist Barbara Bacarella, the bride's aunt and god-mother.

Escorted by her father, the bride chose a white silk satin organza gown with an off-the-shoulder bodice featuring a draped surplice front. The skirt had a fluted hem with a sweep train.

A rhinestone and beaded comb held her two-tiered veil, borrowed from the bride's cousin. She carried stargazer lilies and pink roses.

Karen Emilio, a friend of the bride, served as maid of honor. Bridesmaids were Shannon Beauchemin, and Kristi Langenderfer, friends of the bride, and Amanda and Autumn Murphy, sisters of the groom. The flower girl was Tiffany Vu, a friend of the couple.

The bride's attendants wore two piece matte satin gowns in sage green. The gowns featured a strapless bodice with a bow accent in the back and a mermaid skirt. They carried bouquets of stargazer lilies.

Micah Murphy, the groom's brother, was best man. The groomsmen were Chris Bernhold, brother of the bride; and Todd Hilson, Mitch McClure and Jeremy Wills, friends of the groom.

The groom and the other military men wore choker whites, and the civilians wore black jackets with white vests and ties.

A reception followed the ceremony at Admiral Kidd Catering Center, Point Loma, and the couple honeymooned in Cabo San Luca, Mexico.

The bride is a graduate of Minster High School and the University of Michigan. She is a kindergarten teacher in San Diego.

Her husband is a graduate of Wheaton High School, and the U.S. Naval Academy. He is a Supply Officer with the Third Fleet. They reside in San Diego.
